GPS is always looking for our students who are Bucket Fillers and they are recognized each week when they are spotted doing something good. We also have a Bucket Filler container in our office for staff members who have been spotted during the week as a Bucket Filler and they are recognized at our staff meetings. If you know of a staff member who has done something nice for your child or for others here at school, please come in the office and fill out a Bucket Filler form and drop it in the container. We like to know we have Bucket Fillers throughout our students and staff. Thank you.
