

Grandy Primary School Improvement Minuets

November 23, 2015

- Minutes were reviewed from our last meeting by Susan Ferguson; minutes approved.
- The Final draft of GPS School Improvement Plan was reviewed and approved. Some terminology for questions on the template have changed; however our plan's content covered all areas (format changed not content). Questions were redundant – our plan already answered each question.
- Tim asked if there was anything missing on our December Calendar. Nothing was noted.
- For the Staff luncheon; students are to eat in their classrooms. Teachers are to find coverage and parents are NOT to take students to recess. Special Teachers are to get their own coverage for 3rd grade specials.
- For the “Out to Lunch” outing; staff is to preorder their meal – all staff is to report back to GPS on time.
- Parents are to sign students out in the classroom after Classroom Parties.
- Dec. 4th is Movie Night – each grade needs a representative to volunteer. Two 30 minute movies will be shown.
- Dec. 18th is the Sing-a-long.
- February 8-12 is Love the Bus Week.
- BUDGET: Money has not filtered down to local systems. Camden has only received 20% of our appropriated budget. Tim wants teams to give him any specific needs. We are still waiting for the decisions to be made for the One-on-One Assistants.
