

Grandy Primary School Fun Run Fundraiser

BENEFITING GPS AND CHKD

At Grandy Primary School we teach our children to prepare for their futures. We do this not only through academics, but also by teaching them the importance of caring for themselves and others. Many children in this community have or will receive services from either the Children’s Hospital of The King’s Daughters (CHKD) or a CHKD provider. Therefore, Grandy Primary school will be hosting its **First Annual GPS Fun Run Fundraiser, benefiting GPS and CHKD, on February 26th–March 5th**. The money raised will be divided equally between GPS and CHKD. The money will help GPS purchase much needed technology equipment for students and teachers. The money donated to CHKD will help purchase medical supplies and equipment, fund pediatric research, and support specialized health programs and services for children in our region.

Each class will have the opportunity to run around a 1/22 mile track set up in the gymnasium. The run will take place during the children’s designated PE time. The PE teachers will do a brief warm up with the kids. They will then run/walk around the course for 20 minutes, and after that they will be given a small snack to help replenish their bodies. The track is small so if you would only like to donate money up to a certain amount of laps that is acceptable. Please just indicate this on the donation form found on the back of this page (example: Pledge per lap: \$5 up to 10 laps). You also have the opportunity to make a flat donation if that works best. Flat donations can be turned in before the run.

Incentive prizes will also be awarded to the children. The child that raises and turns in the most money from each grade level will be awarded a \$50 gift card to Walmart. The class that raises and turns in the most money in each grade level will receive a classroom party. The boy and girl out of each grade level that completes the most laps will be awarded a personalized medal. Every student at GPS will also receive a GPS Fun Run water bottle.

We hope to make this fundraiser a huge success for GPS and CHKD. We appreciate any amount of money that you are able to donate. Thank you in advance for your support. If you have any questions please feel free to contact Candice Beckner RN, GPS School Nurse at 252-331-4838 or by email at cbeckner@camden.k12.nc.us
