

Donate Blood In Honor of **Kaylee Rios and Cayla Williams**

The need is constant.
The gratification is instant.
Give blood.™

Both Kaylee and Cayla are students at Grandy Primary School who have personally experienced the need for blood, and it is in their honor that we are holding this blood drive. Kaylee is a 9-year-old with a zest for life who has received many blood transfusions over the past 7 years in her ongoing battle with Stage 4 neuroblastoma. Cayla is 6 years old and has been diagnosed with leukemia; she wants to be an oncology nurse when she grows up. They and their families would like to see the Camden community come together to donate the gift of life for patients like Kaylee and Cayla at this special blood drive.
